Mr. David Bushong, Staff Member
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Dave:

Regarding our session Thursday, I think we can cover this in about 1 1/2 hours and I did want to make sure we are considerate of the Senator's time. Also, please find enclosed a paper that has been written up to depict a "CIA Station." I do think it might be helpful if you and the Senator read this as background before the Thursday session as I think it would serve as a good basis for questioning. Please return the paper before you depart.

For Thursday, we plan to have the two area division Chiefs meet with the Senator, finalize arrangements, and send out instructions to our field stations. Also, I hope I am well advised that you or someone on the Committee staff are taking care of the housekeeping arrangements, e.g., ~~overt~~ coordination with the Department of State and embassies.
